6. Please Enter NAME SURNAME (ORGANIZATION)
7. Wait until moderators allow you in
8. Assure your microphone is muted when you are not talking. Consider moderators can mute your microphone if you are not talking to limit background noise.
9. Video is not required
10. To interact with the moderators or presenters use the chat, e.g. for asking questions or for signaling problems in audio/video etc.
11. Please consider session will be recorded

For Presenters:

1. You will present your own deck/PowerPoint from your desktop when enabled by moderators.
2. Make sure you unmute your microphone. In Google meet you should click at the bottom to unmute.
3. Video is recommended for presenters and it can be used to show yourself picture in picture with presentation.
4. Please respect time and also look at the chat from time to time
5. Remember to reserve a few minutes at the end of your presentation for questions
